## ISSF President Letter

On behalf of the International Shooting Sport Federation – ISSF – we thank the athletes for their excellent performances in the Shooting Events of the 2<sup>nd</sup> Youth Olympic Games in Nanjing, CHN 2014.

We express our thanks and appreciation to the organizers of these Youth Olympic Games for their great efforts and the excellent organization of these unforgettable 6 days of outstanding shooting sport. We were very pleased with the great atmosphere in the Finals and the spectators were amazing. A very special thank is going to all volunteers who did an outstanding job and who were very helpful all the time.

The well established Fangshan shooting training center proved to be an excellent venue for our shooting sport and it will continue to be a great training center with a long lasting legacy for the shooting sport in Nanjing.

It was a great pleasure and a unique experience for our 80 athletes from 57 countries all over the world and all the officials, referees, judges and volunteers to contribute to these very successful shooting events of the 2<sup>nd</sup> Youth Olympic Games in Nanjing 2014.

The people of the host country of China are well known as sport enthusiasts and we once again thank them for their great hospitality.

We express our sincere congratulations not only to the winners but also to each participant who showed the world that sport can truly be considered as an expression of peace, friendship and brotherhood in fair play. It showed especially that young athletes work hard to get to their goal to compete in the Youth Olympic Games and to make friends during these 2 weeks of sport and culture program.

We are wishing all athletes, officials, referees, judges and spectators safe return home and we are sure that all will take home good memories of the many nice impressions of young athletes to compete in friendship and the extraordinary hospitality of the organizers, our friends and people of the P.R. of China.

Thank you China, Thank you Nanjing!

## COMPETITION FORMAT AND RULES SHOOTING

As of 23 JUN 2014

### Youth Olympic Competition Format

Shooting competition at the Youth Olympic Games consists of men's and women's individual events (rifle and pistol) and mixed international teams events (rifle and pistol). The team events will take place over two days, following the four days of individual competitions.

#### Individual events

Each event consists of a qualification phase from which the top eight athletes qualify to the finals.

In the qualification, men shoot 60 shots and women shoot 40 shots. The shots are fired in the standing position. For Air Rifle Qualification, scoring is done with a tenth ring (decimal) scoring for the target.

In the Finals, eight athletes compete by firing on command. Finals scoring starts from zero. Scoring in the Finals is done with a tenth ring (decimal) scoring for the target. Cumulative total scores in the Finals determine final rankings, with ties broken by shoot-off scores.

#### Team events

Teams are composed of two athletes, one of each gender, based on their final rankings in the individual events. The first place men's athlete will be paired with the 20<sup>th</sup> place women's athlete, and so on. The pairing will continue until the 20<sup>th</sup> place men's athlete is paired with the first place women's athlete to form a total of 20 teams. The team pairings will be adjusted as necessary to ensure that no two athletes from the same NOC are on the same team.

Because teams are from mixed NOCs, they will be given names randomly selected from the names of cities that have hosted the Olympic Games, omitting cities that did not organise Shooting events (e.g. St. Louis, Antwerp). Team names will be identified as "London", "Beijing", "Athens", etc.

The teams events will be scheduled to take place over two days after the individual rifle and pistol events are completed. The teams Qualification and Round of 16 take place on the first day of the mixed international teams competition. The Quarterfinals, Semifinals and Medal Matches take place on the second day.

### Differences between the ISSF Junior World Championships and the Youth Olympic Games

There are no mixed international teams events on the ISSF Junior World Championships.

### Changes since the Singapore 2010 Youth Olympic Games

10m Air Rifle Mixed International Teams and 10m Air Pistol Mixed International Teams events have been introduced. The ISSF rules regarding tied athletes have been changed. There is no longer a qualification Shoot-off (QS-off). All ties will be broken by the new ISSF rules.

The ISSF has introduced the use of decimal ring scoring for 10m Air Rifle and whole ring scoring with inner tens for 10m Air Pistol during Qualification.

In order to make the Finals more interesting a new elimination format has been introduced.

### Sport Rules and Procedures

#### Individual events

In the Qualification, shots are fired at a 10-ring target. Men shoot 60 shots in 105 minutes, and women shoot 40 shots in 75 minutes. Qualification scores entitle an athlete to a place in the Finals, but are not carried forward.

The Finals consists of two series of three match shots each fired in a time of 150 seconds per series. This is followed by 14 single match shots each fired on command in a time of 50 seconds. Eliminations of the lowest scoring finalists begin after the eighth shot and continue after every two shots until the gold and silver medals are decided. There are a total of 20 Finals shots.

Ranking of eliminated athletes during the Finals should be as follows:

1. After 8 shots - 8<sup>th</sup> place
2. After 10 shots - 7<sup>th</sup> place
3. After 12 shots - 6<sup>th</sup> place
4. After 14 shots - 5<sup>th</sup> place
5. After 16 shots - 4<sup>th</sup> place
6. After 18 shots - 3<sup>rd</sup> place (bronze medal winner is decided)
7. After 20 shots - 2<sup>nd</sup> and 1<sup>st</sup> places (silver and gold medal winners are decided)

Deductions for violations occurring before the first match shot will be applied to the score of the first match shot. Deductions for other penalties will be applied to the score of the shot where the violation occurred.

### Team events

Scoring in the Qualification Round is done according to the 2013 ISSF General Technical Rules. The 80-shot score totals of the two team members determine their Qualification Round ranking. Ties are broken according to ISSF rules.

The Round of 16 consists of eight matches among the 16 teams that advanced from the Qualification round. Each match is decided according to a point system.

In the Round of 16 eight pairs of teams will compete. The highest scoring team in the qualification will shoot against the lowest scoring team, the second highest scoring team will shoot against the next lowest scoring team, etc. In the team pairs competitions, the two members of each team will each fire one shot. The scores of the two team members will be added and compared with the two shot score total of the other team. The team with the highest total will score one point. The paired teams will continue to fire one shot contests until one team scores ten points during that round of competition. The eight winning teams in each team event will advance to the Quarterfinals on the second day. Team pairs will use the same ten-point format in each successive round of competition. The four winning teams in each Quarterfinals event will compete in the Semifinals to determine the teams that compete for the gold and silver medals and the teams that compete for the bronze medal.

Competition format for Round of 16, Quarterfinals, Semifinals, medal round will be on a "duel basis": The two teams compete against each other, shot by shot on command. All scores are in decimals.

One point in each match is awarded to the team with the highest total for their two shots. If the two teams are tied, no point is awarded.

The team which reaches 10 points is the winner.

### Ties

The count back rules apply to the Qualification, shoot-offs will be organised if ties occur during the Finals.

### Penalties/Disqualification Rules

Score protests: an athlete may lodge a score protest before the next shot in Qualification about the value of a shot. No score protests are possible during the Finals. If this is denied, a two point penalty is incurred automatically. Such protests are resolved by the Classification Jury.

A deduction or penalty must be applied to the score of the MATCH shot/series where the violation occurred. No score below zero will be recorded (e.g. 3-2 point deduction = 1, 0-2 point deduction = 0).

The most common reasons for penalties are -2 points for minor infringements of the rules, disqualification, the failure of rifle clothing to pass the follow-up controls after the competition, or failure of the pistol trigger weight test (too light).

### Protests/Appeals

In Qualification, events have specific protest/appeal times. Official results are not published until protests and/or appeals, if any, are resolved. At the Youth Olympic Games, preliminary results "subject to protest" may be distributed. Any protest (except score shot protests which are not allowed) made in the Finals will be resolved by the Finals Protest Jury.
